

Adjustable Sani Shelving

Adjustable Sani Shelving can be used in all of your departments. These shelves are perfect for coolers, freezers, prep areas, or wherever product or supplies must be stored. This product allows you to design shelving to meet your specific needs or situation, like using a tubular shelf for heavy boxed items on the bottom with solid shelves for small items on the top.

FEATURES:

- All welded sanitary aluminum tube
- Great cleanliness and air circulation
- 2000 lb. unit capacity with evenly distributed weight
- Heavy duty solid reinforced shelves are constructed from aluminum sheet metal with double reinforced and hemmed edges
- All shelves of similar length and width are interchangeable
- Uprights are made from heavy duty aluminum tube
- Casters and wheels can be purchased and installed easily to increase shelf mobility.
