

# Garden Wagons

These heavy duty pull wagons are perfect for any garden center. Garden carts can be used to transport shrubs, balled trees, flowers, or any pre-bagged material as well as decorative stone edging. This product features either plastic honeycombed decking or powder coating over galvanized steel. Both deck types are perfect for wet products and are easy to clean while being able to deliver years of performance.

#### STEEL FEATURES:

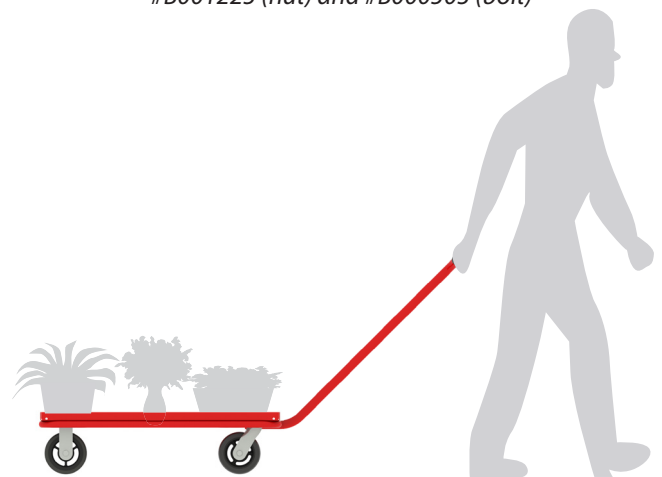

- Heavy duty steel frame design withstands the heaviest of loads and handle is welded in a fixed position
- Powder coated galvanized steel deck resists corrosion
- Bolt on heavy duty casters and wheels come standard to provide years of easy maneuverability

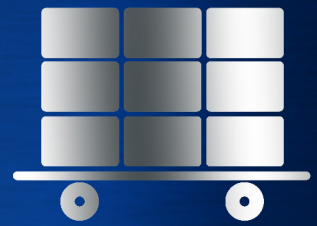

#### PLASTIC FEATURES:

- Heavy duty steel frame design withstands the heaviest of loads
- Plastic decks resist corrosion 100% and provide years of performance
- Large retractable handle for superior comfort and control
- Bolt on heavy duty casters and wheels come standard to provide years of easy maneuverability

#### REPLACEMENT PARTS:

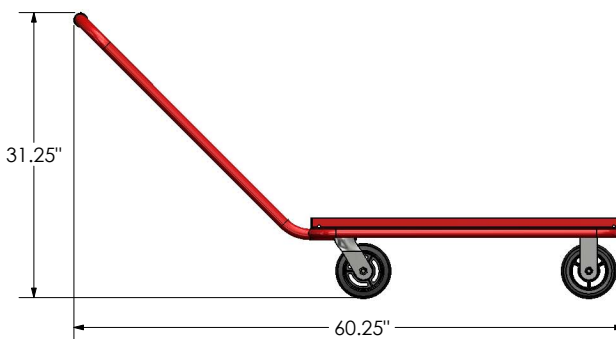

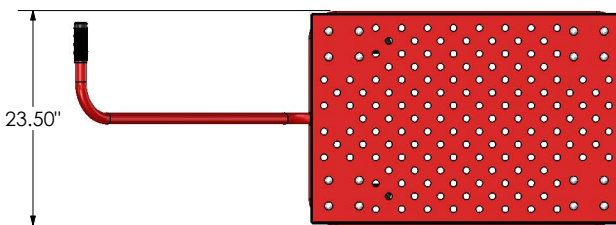

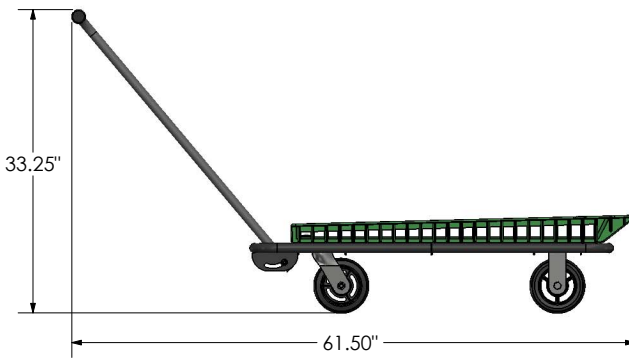

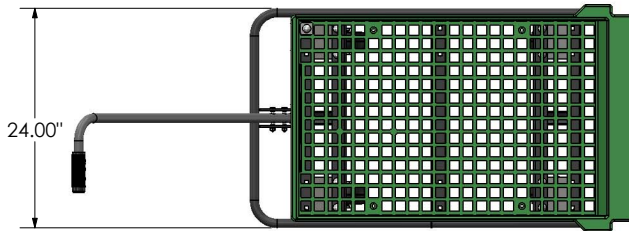

- (2) 6" x 2" cimax swivel wheels, replacement order #B000653. (2) 6" x 2" cimax rigid wheels, replacement order #B000652. Fastener replacement order #B001225 (nut) and #B000503 (bolt)
