This versatile order picking cart can be adapted for use via man power or vertical forklift. Featuring heavy duty steel pockets that accept forklifts, as well as heavy duty polyurethane and phenolic wheels and casters for man powered movement. The removable and stowable shelves allow you to adjust your cart as needed.

**FEATURES:**
- Heavy duty steel construction
- Wire grid is sturdy but lightweight to secure products within cart
- Ships fully assembled and ready for immediate use
- Designs for Raymond, Crown, and Hyster fork lifts
- 2” x 4” wooden grip board secures forklift in place
- Removable/stowable shelves allow you to adjust your cart as needed
- Shelves stow away vertically in the rear of the cart when not in use
- Ease of mobility with swivel casters reduces damage done to products on the cart and store fixtures
- 1000 lb. capacity

**REPLACEMENT PARTS:**
- 8000509
  - (2) 6” x 2” polyurethane swivel casters in the rear, replacement order #B000507.
  - (2) 6” x 2” polyurethane rigid casters at the front, replacement order #B000508.
- 8000574 & 8000575
  - (2) 6” x 2” phenolic swivel casters in the rear, replacement order #B001242
  - (2) 6” x 2” phenolic rigid casters at the front, replacement order #B001243

SPRING LOADED U-BOAT

Transform your u-boat into the perfect stocking cart with the spring leveling shelf. The heavy-duty spring allows for easy and ergonomic access to merchandise when stocking shelves.

The spring compresses to the perfect ergonomic work height, when loaded with the minimum weight of 400 lbs. The high end handles improve handling and help secure merchandise in place while in transit. The 16” width and six wheel design allow the cart to rotate within its own lengths and be easily maneuvered through busy aisles.

FEATURES:
- All welded steel tube frame with heavy duty steel diamond deck
- 2 removable heavy gauge steel tube handles
- Durable attractive blue powder coat finish
- Traditional six wheel design, 2 center rigid and 4 corner swivel bolt on casters
- Spring compresses completely when loaded with the minimum weight of 400 pounds
- Spring leveled deck travels from 26 inches to 6.3 inches when compressed

OPTIONS:
- Spring leveling shelf can be added to your existing 1660 u-boat with the purchase of two handles. Single handle part #1000199
  "If adding spring leveling shelf to existing 1660 u-boat (part #5000101) New handles are required to prevent pinch points
- Cardboard holder attachment #48010108 (attaches to a side handle)
- Ergonomic spring leveling shelf #8010159

REPLACEMENT PARTS:
- (2) 8” x 2” rigid polyurethane center wheels ensure easy rolling and longer life. Replacement order #B000024
- (4) 4” x 1.25” corner swivel casters. Replacement order #B000027
