

Aluminum Distribution Cart

This Aluminum Distribution Cart is an innovative offering from National Cart that provides you the flexibility and speed needed for applications including warehouse, distribution centers, truck and route delivery. The lightweight aluminum construction is durable and easy to maneuver, while the heavy duty nylon straps and buckles will ensure a long useful life.

Adjustable nylon straps with buckles

FEATURES:

- Lightweight, yet durable aluminum construction
- Nestable "L" design saves space when nested together
- Ease of mobility reduces damage done to products on the cart and store fixtures
- Strong adjustable nylon strapping and buckles keep boxes and totes safely on the cart
- 1000 lb. capacity
- Ergonomic pull handles on both sides of the cart
- Ships fully assembled and ready for immediate use

REPLACEMENT PARTS:

- Cart moves easily on hard surfaces with (4) 6" x 2" polyurethane wheels with swivel casters. Replacement Order #B000507

1. Release buckles and fold up shelves

2. Fold in left side of cart

3. Nest carts together for storing
