

Distribution Security Cart

This cart is the ultimate security cage for all industrial applications. The Distribution Security Cage Cart allows you to sort and transport a wide range of products, all while keeping items secured and locked up when needed. The four sided enclosure offers increased security, while the wire grid on all sides offers complete visibility of products within.

FEATURES:

- Heavy-duty electro plated zinc construction
- Nestable "L" design saves space when nested or cart folds flat for maximum space reduction
- Wire grid is sturdy but lightweight to secure products within cart
- Locking handle secures cart
- Industrial foot activated floor lock secures cart in place
- Document holder with flap cover
- Pull handle easily maneuvers cart
- Foot release for door increases efficiency
- Ships fully assembled and ready for immediate use
- High quality polyurethane wheels
- 1,500 lb. capacity

REPLACEMENT PARTS:

- (2) 6" x 2" polyurethane swivel casters, replacement order #B000507
