

FORKLIFT ORDER PICKING CART

This versatile order picking cart can be adapted for use via man power or vertical forklift. Featuring heavy duty steel pockets that accept forklifts, as well as heavy duty polyurethane and phenolic wheels and casters for man powered movement. The removable and stowable shelves allow you to adjust your cart as needed.

Custom Colors
Available

Shelves Stowed

FEATURES:

Heavy duty steel construction

Wire grid is sturdy but lightweight to secure products within cart

Ships fully assembled and ready for immediate use

Designs for Raymond, Crown, and Hyster fork lifts

2" x 4" wooden grip board secures forklift in place

Removable/stowable shelves allow you to adjust your cart as needed

Shelves stow away vertically in the rear of the cart when not in use

Ease of mobility with swivel casters reduces damage done to products on the cart and store fixtures

1000 lb. capacity

REPLACEMENT PARTS:
