

HEAVY DUTY U-BOATS

This style cart has been used by leading grocers and retailers world-wide as the most efficient way to move product from the back room to the sales floor.

High end handles improve handling and help secure merchandise while in transit. The 16" width and six wheel design allow the cart to rotate within its own lengths and be easily maneuvered through busy aisles. Add our heavy duty accessories to customize your U-Boat to fit your specific needs!
