

Fork Extensions

For extra large pallets or large loads, our fork lift extensions provide an economical alternative to purchasing a completely new set of large forks. These fork extensions slide easily in place with little to no labor time to change them out. Work with all standard fork lift forks.

FEATURES:

- Heavy duty steel construction
- Slide easily onto truck forks
- Secured with quick release pins
- Economical alternative to new fork truck
- Sold in pairs
- Durable safety yellow powder coating

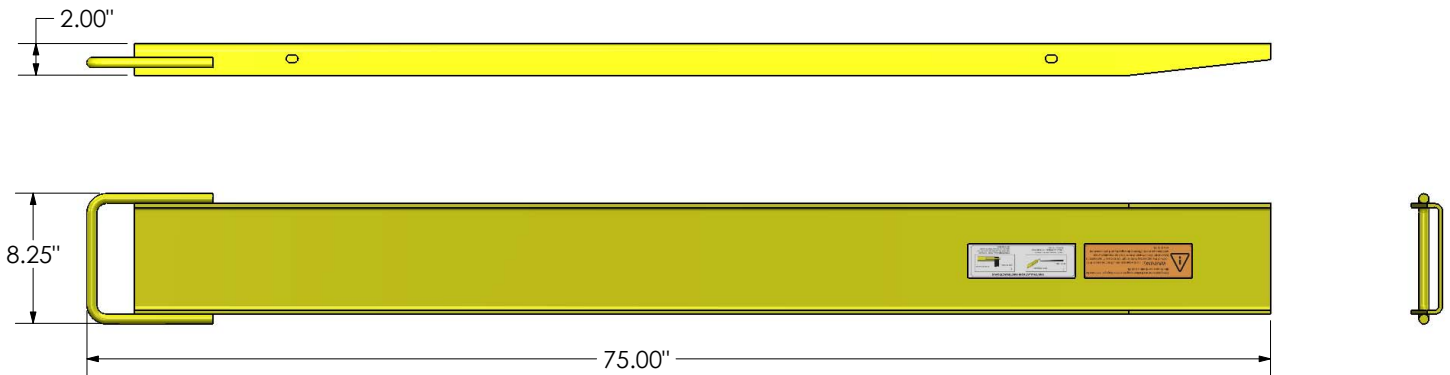

REGULATIONS:

- Fork extensions reduce the capacity of the lift truck
- OSHA requires contacting the manufacturer of the forklift for written approval for the use of any fork truck attachments
- Forklift extensions should not exceed length of forks on which they are installed by more than 50%

Freight Class: 85
 NMFC Code: 163980
